Madame Bovary 2014 trailer

Gustave Flaubert's timeless novel Madame Bovary comes to life with the first trailer for this adaptation. The book has been brought to the big screen several times before, including a 1991 adaptation starring Isabelle Huppert and a 2000 film starring Frances O'Connor and Hugh Bonneville. The novel was even adapted into a four-part TV mini-series back in 1975. Mia Wasikowska stars as the title character, adding to her list of adaptations including Lewis Carroll's Alice in Wonderland, Fyodor Dostoyevsky's The Double and Charlotte Brontë's Jane Eyre. Set in Normandy, France, Madame Bovary is Gustave Flaubert's classic story of Emma Bovary (Mia Wasikowska), a young beauty who impulsively marries small-town doctor, Charles Bovary (Henry Lloyd-Hughes), to leave her father's pig farm far behind. But after being introduced to the glamorous world of high society, she soon becomes bored with her stodgy husband and mundane life, and seeks prestige and excitement outside the bonds of marriage. Paul Giamatti, Ezra Miller, Rhys Ifans, Logan Marshall-Green and Laura Carmichael round out the supporting cast of this period drama from director Sophie Barthes, her follow-up to the indie Cold Souls, also starring Paul Giamatti. In addition to the trailer, we also have the first poster for Madame Bovary. Alchemy will release Madame Bovary later this summer, but a specific release date has not been given. While we wait for that announcement, check out the trailer and poster. Doctor Strange Warns of the Madness of the Multiverse in Latest Teaser Brian Gallagher (43491 Articles Published) More From Brian Gallagher Cast & crewUser reviewsTrivialMDBProBored in her marriage to a country doctor and stifled by life in a small town, the restless Emma Bovary pursues her dreams of passion and excitement, whatever they may cost.Bored in her marriage to a country doctor and stifled by life in a small town, the restless Emma Bovary pursues her dreams of passion and excitement, whatever they may cost.45User reviews85Critic reviewsMetascore The longer I live, the more clearly I feel that, on the whole, life is a disappointment.'Yet again we have an incarnation of Flaubert's novel of infidelity and this time the transformation of the book to screen (by Felipe Marino and director Sophie Barthes) is, at best, weak. The pacing of the film is adagio and the cast is adequate if unremarkable. The only standout in the film is the costumer and the strange but adequately atmospheric music by Evqueni and Sacha Galperine.For those who have forgotten the story, 'In mid-1800s Normandy, France, farmer's daughter Emma (Mia Wasikowska) leaves the convent where she was educated and marries a young doctor, Charles Bovary (Henry Lloyd-Hughes). With high hopes for a fulfilling and romantic future like the ones she reads about in novels, Emma leaves her childhood home and loving father, moving to the small town of Yonville where Charles has based his practice. While Charles loves his new wife, he is consumed by his work and is out of the house all day visiting patients. During their brief daily time together, Emma is bored and repulsed by his talk of ailments and dull business affairs, and Charles is all but oblivious to her ennui. With no regular company besides their maid, Henriette (Laura Carmichael), Emma becomes a vulnerable client to the crafty local merchant Lheureux (Rhys Ifans), who entices her with luxury goods available for purchase on credit. Emma soon befriends a young clerk, Leon Dupuis (Ezra Miller), who shares her romantic frame of mind and disdain for provincial Yonville. Emma longs to go to Paris and immerse herself in the culture, and has quickly tired of her dull existence as a country doctor's wife. Leon secretly confesses his love to Emma, who, despite the mutual attraction, dismisses his advances. Leon departs for law studies in Paris. Charles and Emma are invited to a hunting party by the Marquis d'Andervilliers (Logan Marshall-Green), who had dropped by Doctor Bovary's house to have one of his servants treated. The Marquis was immediately attracted to Emma, who becomes so excited about the excursion into high society that she orders expensive clothes from Lheureux for the occasion. At the party, she is entranced by the luxury of the upper-class and by the subtle advances of the Marquis, whom she meets once more at an agricultural show. Emma's thirst for extravagance only grows, and she begins to spend liberally to beautify the house and her wardrobe, all on credit from Lheureux. She also takes the advice of local pharmacist Homais (Paul Giamatti) and convinces her husband to operate on the club-foot of Homais' servant Hippolyte (Luke Tittensor) and become a celebrated surgeon. The surgery fails. Ashamed of her husband's incompetence and feeling all the more stifled, Emma visits the Marquis at his home and confesses her misery. They begin an affair, with Emma making regular trips on foot through the woods to visit him. Charles has no inkling of his wife's unhappiness in the marriage or of her affair. Emma eventually begs the Marquis to run away with her, and though he initially refuses, he calms her by promising to make arrangements to elope.' And to tell the rest would be consider spoilers.Mediocre at best this is a very long song that could have been so much better in so many ways.See detailed box office info on IMDbProSuggest an edit or add missing contentBy what name was Madame Bovary (2014) officially released in India in English?AnswerYou have no recently viewed pages SYNOPSISMadame Bovary (2014) is a English,French,Latin,German movie. Sophie Barthes has directed this movie. Mia Wasikowska,Rhys Ifans,Ezra Miller,Logan Marshall-Green are the starring of this movie. It was released in 2014. Madame Bovary (2014) is considered one of the best Drama,Romance movie in India and around the world.Adapted from Flaubert's classic novel, Madame Bovary tells the tragic story of Emma (Wasikowska), a young beauty who impulsively marries a small-town doctor (Lloyd-Hughes) to leave her father's (Giamatti) pig farm behind. But after being introduced to the glamorous world of high society, she soon becomes bored with her stodgy mate and seeks excitement and status outside the bonds of marriage.
